

## EDUCATION

---

2010 Ph.D. in Plant Biology, Aarhus University, Denmark  
2008 M.Sc. in Biology, Aarhus University, Denmark  
2004 B.Sc. in Biology, Aarhus University, Denmark

## POSITIONS

---

2016: Postdoc at University of Copenhagen in Denmark  
2012-15: Postdoc at University of Western Australia  
2011: Postdoc at Instituto de Investigaciones Marinas y Costeras (INVEMAR) in Colombia

## GRANTS RECEIVED (>100,000 DKK)

---

AIAS COFUND Junior Fellowship (2017).  
Postdoc grant, 560,000 DKK (2015, The Carlsberg Foundation)  
Postdoc grant, 1,084,438 DKK (2012, The Villum Foundation)  
Postdoc grant, 872,636 DKK (2010, The Danish Council for Independent Research – Natural Sciences).  
Transition from PhD to Post Doc grant 166,143 DKK (2010, Aarhus University Research Foundation)

## TEACHING AND SUPERVISION

---

- General Ecology, undergraduate course, University of Copenhagen
- Freshwater Ecology, undergraduate course, University of Copenhagen
- Plant Physiology, undergraduate course, University of Western Australia
- Plant Physiological Ecology, undergraduate course, University of Western Australia
- Scientific English, graduate course, Can Tho University, Vietnam
- System Ecology, undergraduate course, Aarhus University, Denmark
- Aquatic Biology, graduate course, Aarhus University, Denmark
- Freshwater Biology, graduate course, Aarhus University, Denmark

Co-supervision of 6 PhD students, University of Western Australia

## BIBLIOMETRICS

---

20 papers in peer-reviewed journals. Google Scholar: 494 citations; h-index 9.  
Web of Science: 236 citations; h-index 7.  
>10 oral presentations at international conferences.

## REVIEW ACTIVITIES

---

**Referee for:** AoB Plants. Annals of Botany. Aquacultural Engineering. Ecology. Environmental Science and Pollution Research. Environmental Technology. Hydrobiologia. Plant, Cell and Environment. Scientific Reports. Water Science and Technology. Estuarine, Coastal and Shelf Science.
