

## Jennifer M. Galloway, Ph.D., Short C.V.

[jennifer.hadlari@gmail.com](mailto:jennifer.hadlari@gmail.com)

### DEGREES

B.Sc. (Honours) Sept 1997 - June 2002, Department of Biological Sciences, Queen's University, Canada. Dissertation: *A palynological investigation of Holocene vegetation and climate at Felker Lake, British Columbia.*

Ph.D. Sept. 2002-June 2006, Department of Earth Sciences, Carleton University, Canada. Dissertation: *Post-glacial climate and vegetation change in the Seymour-Belize Inlet Complex, central coastal British Columbia, Canada.*

### POSITIONS

AIAS-COFUND Fellowship, Aarhus University, Denmark (beginning 2019)

Research Scientist, Chief Paleontologist, Paleontology and Collections Section Head, Science Laboratory Network PaleoLab Leader, Geological Survey of Canada, Canada (2011-present)

Adjunct Research Professor, Department of Earth Sciences, Carleton University, Canada (2013-present)

Adjunct Assistant Professor, Department of Geosciences, University of Calgary, Canada (2013-present)

Adjunct Professor, Department of Geology, Brandon University, Brandon, Canada (2017-present)

NSERC Postdoctoral Fellow, Geological Survey of Canada, Calgary, Alberta, Canada (2009-2011)

### EXPERIENCE

- Research Scientist working on Arctic Geoscience and Environmental Geoscience
- Science Laboratory Network Paleontology Leader, Geological Survey of Canada
- Field Party Chief responsible for planning, permitting, logistics, and operations in remote Arctic research camps and 10+ years experience conducting field-based research in High Arctic and subarctic regions
- Research management with external and internal funding sources and leadership of large multi-disciplinary teams)
- Natural Resources Canada Earth Sciences Sector Merit Award (2013) in recognition of leadership for collaborative development of 10-year multi-million dollar Arctic Geoscience research program (Geo-Mapping for Energy and Minerals)
- Member of the Berriasian working group, Subcommission of Cretaceous Stratigraphy of the International Union of Geological Sciences (IUGS) (2015-present)
- Member of the German Government-led Circum-Arctic Structural Events (CASE) consortium involving researchers from seven countries (2010-present)
- Member of Natural Resources Canada (Federal Government Department) Women in Science Network
- Authored or coauthored 46 papers in refereed journals, 16 other peer reviewed publications, 30+ other publications, 7 invited presentations and 100+ other talks and posters
- External referee international and national funding agencies
- Ad hoc reviewer for *Palynology*, *Palaeogeography Palaeoclimatology Palaeoecology*, *Canadian Journal of Earth Sciences*, *Canadian Journal of Botany*, *Journal of Marine and Petroleum Geology*, *Ecological Indicators*, *Hydrological Processes*, *Journal of Cretaceous Research*, *Island Arc*, *Journal of Paleolimnology*, *Canadian Institute of Mining, Metallurgy and Petroleum Research*, *Journal of Environmental Quality*, *Journal of Quaternary Research*, *Science of the Total Environment*, *International Journal of Environmental Analytical Chemistry*
- Primary advisor 1 Post-Doctoral Fellow and 3 Ph.D., 6 M.Sc., and 5 B.Sc.(Hons) students
- External thesis examiner (2 Ph.D.) and examination committee member (1 M.Sc.)
