

AIAS FELLOWS' SEMINAR

AUTUMN 2017

- 18 September 2:15 pm** **Federica Bertolotti**, AIAS Fellow
X-ray Total Scattering Techniques for Characterizing Nanomaterials
- 2 October 2:15 pm** **Luís Pedro Viegas**, AIAS Fellow
Computational Green Chemistry. Strategies pursuing a cleaner atmosphere
- 9 October 10:30 am** **Joint Research Presentation:** Extended Fellows' Seminar
All the AIAS fellows present their research question via short 6-minute presentations
- 23 October 2:15 pm** **Jessica D. Wiskus**, AIAS Fellow
Rhythm and Recognition. Exploring Music, Time, and the Self
- 6 November 2:15 pm** **Samuel McCormick**, AIAS Fellow
Mind Over Chatter
- 13 November 2:15 pm** **Søren Dinesen Østergaard**, AIAS Fellow
Translational Psychiatry. From genes to mice to men to populations to global health
- 20 November 2:15 pm** **Katie Barclay**, AIAS Fellow
The Family. What difference does it make?
- 11 December 2:15 pm** **Nikolaj Thomas Zinner**, AIAS Fellow
Quantum Few-Body Engineering. Building quantum networks one unit at a time

Venue: Aarhus Institute of Advanced Studies
Building 1632
Fellows' Auditorium

AARHUS
UNIVERSITY

AARHUS INSTITUTE OF ADVANCED STUDIES
