

1. n.d. *Accepted* (Gibb, J, LZ DuBois, S Williams, **L McKerracher**, RP Juster, J Fields) Sexual and gender minority health vulnerabilities during the COVID-19 health crisis. *American Journal of Human Biology*.
2. n.d. *Accepted* (**McKerracher, L**, R Fried, T Galloway, AW Kim, T Moffat, and DM Sloboda) Digest: Synergies between the Developmental Origins of Health and Disease (DOHaD) framework and multiple branches of evolutionary anthropology. *Evolutionary Anthropology: Issues, News, and Reviews*.
3. 2020 (**McKerracher, L**, +S Oresnik, T Moffat, B Murray-Davis, D Williams, J Vickers-Manzin, DM Sloboda, and ME Barker) Addressing embodied inequities in health: How do we enable improvements in pregnancy diet? *Public Health Nutrition*.
4. 2020 (Gibb, J, **L McKerracher**, J Fields) Queers and Pandemics, Past, Present, and Forever: LGBTQ+ Health Vulnerabilities and Public Health Visibility. *COVID-19: Urgent Reflections, McMaster Institute on Globalization and the Human Condition*.
5. 2020 (**McKerracher, L**, P Nepomnaschy, RM Altman, DW Sellen, M Collard) Breastfeeding durations relate to changing socio-ecology and the social learning of infant feeding knowledge in a rural Maya population from Guatemala. *Human Nature*. 31:43-67.
6. 2020 (**McKerracher, L**, T Moffat, M Barker, M McConnell, S Atkinson, S MacDonald, B Murray-Davis, and DM Sloboda) Knowledge about the Developmental Origins of Health and Disease (DOHaD) is independently associated with diet quality during pregnancy. *Maternal & Child Nutrition*. 16: e12891-12904.
7. 2019 (**McKerracher, L**, T Moffat, ME Barker, +D Williams, DM Sloboda) Translating the Developmental Origins of Health and Disease concept to improve the nutritional environment for our next generations: A call for a reflexive, positive, multi-level approach. *Journal of the Developmental Origins of Health and Disease*, 10(4):420-428.
8. 2018 (+Varas, PJ, **L McKerracher**, M Elliot) Clinical Brief: Pre-eclampsia. *Evolution, Medicine, and Public Health*, 2018(1):217-218.
9. 2017 (**McKerracher, L**, M Collard, RM Altman, MP Richards, and P Nepomnaschy) The ex-pat effect: Presence of recent Western immigrants is associated with changes in age at first birth and birth rate in a Maya population from rural Guatemala. Invited special issue contribution to *The Annals of Human Biology*, 44: 441-453.
10. 2017 (**McKerracher, L**, M Collard, R Altman, D Sellen and P Nepomnaschy) Duration of breastfeeding and maternal energetics in a sample of indigenous Maya women from Guatemala. *American Journal of Physical Anthropology*, 162: 616-626.
11. 2017 (Nielsen, TK, B Benito, J-C Svenning, B Sandel, **L McKerracher**, F Riede, PC Kjaergaard) Investigating Neanderthal dispersal above 55°N during Marine Isotope Stage 5. *Quaternary International*. 431:88-103.
12. 2017 (Carroll, J, M Clasen, E Jonsson, A Kratschmer, **L McKerracher**, F Riede, J-C Svenning, PC Kjaergaard) What is biocultural theory? Bringing biology and culture together in the study of humanity. *Evolutionary Behavioral Sciences*.
13. 2016 (**McKerracher, L**, M Collard, and J Henrich) Food aversions and cravings during pregnancy on Yasawa Island, Fiji. *Human Nature*, 27: 296-315.
14. 2015 (Hoi, AG and **L McKerracher**) Clinical brief: Breastfeeding and infant growth. *Evolution, Medicine and Public Health*. DOI: 10.1093/emph/eov012
15. 2015 (**McKerracher, L**, M Collard, and J Henrich) The expression and adaptive significance of pregnancy-related nausea vomiting, and aversions on Yasawa Island, Fiji. *Evolution and Human Behavior*, 36: 92-99.
